## PARTNER PERKS

Perks are available to individual members and partner organizations

### ESSENTIAL PERKS

Essential Perks provide both individual members and partner organizations with foundational access to valuable resources and exclusive updates. This includes a subscription to **Network O News** – the Centre's quarterly blog which features:

1. Essential educational tools to support growth and skill development.
2. Updates on new programs and opportunities available exclusively to members.
3. Insights into community initiatives, industry trends, members only programs and special events.

### PREMIUM PERKS

Premium Perks are designed exclusively for our partner organizations, offering long-term benefits and increasing discounts based on partnership duration. This tier rewards our committed partners with special pricing on Learning Design & Delivery Services to support their growth and impact.

1. **Year 1** – 50% off your first Learning Design & Delivery Service + an additional 10% off any other services within the first year.
2. **Year 2** – Receive 15% off any service throughout your second year.
3. **Year 3** – Receive 20% off any service throughout your third year.
4. **Year 4** – Receive 25% off any service throughout your fourth year.
5. **Year 5+** – Receive 30% off any service from your fifth year onward.
